

A Trusted Partner for International Giving

Donors in the United States have a variety of giving interests, which include causes and organizations across the globe. When your clients want to support charitable initiatives abroad, Myriad USA can partner with you to drive client satisfaction and increased engagement while also fulfilling their philanthropic goals. With more than 20 years of experience in worldwide grantmaking, Myriad USA facilitated \$195 million in grants to 1,075 organizations in 103 countries in 2025.

WORLDWIDE EXPERTISE

Our team reflects our global community and includes multilingual staff with lived experience abroad. Plus, we work with in-country consultants to help us identify community needs, develop relationships with local nonprofits, and ensure grantmaking impact.

MULTIPLE GIVING OPTIONS

Myriad USA offers a broad portfolio of services and can offer specific solutions to achieve client giving goals.

EXCEPTIONAL SUPPORT

Myriad USA has built its success on strong relationships. As a partner, you can expect timely communication, competitive and transparent fees, and efficient grantmaking.

PROVEN RISK MITIGATION

Cross-border grantmaking is subject to specific rules and regulations. Our thorough due diligence process guarantees regulatory compliance, mitigates reputational risk, and ensures that grants are supporting legitimate organizations.

Services to Meet Client Giving Goals

Intermittent Support for International Causes

For occasional grantmaking to an organization abroad, Myriad USA offers [advised gifts](#). Clients also can browse our directory of [pre-vetted nonprofit partners](#) for inspiration.

Ongoing International Grantmaking

For clients interested in making cross-border grants over time, a [donor advised fund](#) provides this flexibility. There is no minimum to open a fund and no required balance.

Granting Beyond a Lifetime

To grant for a term of years or perpetually, [legacy funds](#) allow a client to support a field of interest, geographic area, or specific organizations. Gifts to open a fund can be made during or after a donor's life time.

Giving Art to Museums Abroad

[Myriad ART](#) helps clients give art and collections to foreign museums while maximizing their potential tax deduction.

Supporting Communities When Disaster Strikes

In times of crisis, Myriad USA's [disaster response funds](#) help clients give quickly, providing relief to communities in need.

Philanthropic Guidance

When clients want help developing their strategy or identifying or evaluating organizations, [Advisory Plus](#) offers personalized advice and support.

WAYS TO GIVE

As a U.S. public charity, Myriad USA accepts a variety of assets, including non-cash assets, and we will work with you and your clients to facilitate tax-efficient giving today and legacy planning for the future.

COMPETITIVE FEES AND TIMING

Myriad USA's fees are transparent and all-inclusive. With advised gifts and standard donor advised fund grants, the fee is on a sliding scale based on the grant amount (5%-.5%). Donations to Myriad USA's pre-vetted nonprofit partners have no fee to the donor. Grant timing can vary based on nonprofit response time, but after the gift is received, it usually takes three to five weeks from a grant recommendation for the grant to be received by the grantee.

Myriad USA does not provide legal, tax, or investment advice and encourages donors to consult with their professional advisors to determine the best options for their situations. Myriad USA EIN: 58-2277856
